Here are the sites, it looks as if we hit 9 sites yesterday rather than 8, I will make sure to change this on the next bullets.

System	Facility	Lat	Long	Location Code
Wells/Ex. 9				

In addition we have 2 On-Scene Coordinators in the field, 2 Water staff and one person taking the MCP to NM

Can you send me the eight sampling locations? Also, I presume 11 REOC does not include Ron, Sam, Carl and myself? The 5 epa in field – can you break out how many OSCs?
